

Heels In Motion

Celebrating over 10 years of the
Women in Business Program
By
Julie Scott & Vicki Brown

Would you like to be inspired by mentors and mentorees telling their **BUSINESS STORIES, SUCCESSES & CHALLENGES?**

What keeps **YOU** going when times get tough?

Are you over the hype and want some **PRACTICAL** ideas?

What **LEGACY** will you and your business leave?

HEELS IN MOTION is an insightful and informative book about REAL women with their honest accounts of the highs and lows of building their businesses, juggling families and relationships, managing staff whilst being challenged, encouraged and supported by their mentors.

HEELS IN MOTION is the brainchild of Julie Scott, Executive Director, Small Business Development for the NSW Government. As a result of the Women in Business Programs conducted throughout NSW over the last 10 years, Julie met many of the incredible women who participated in the program and cheered on the tireless program facilitators who always went above and beyond.

"Their candid views were thoughtful and varied, and what came through very strongly for us was their sense of passion for their businesses, families and the sisterhood of female entrepreneurs, who should always be inspired to step up and keep their "Heels in Motion".

-Julie Scott.
